

Request for work RFW1
for standard (25/32mm) and non-standard (>32mm) water service connection(s)
to a requisitioned or existing water main.
also SLO Application to connect

RFW1

When you are ready for your service connection please complete and return this form, by e-mail to water.connections@uuplc.co.uk, by fax on 01925 678926 or by post to United Utilities Water, Metering and Connections, Ullswater House, Lingley Mere, Warrington WA5 3LP. If you need help or assistance please telephone 0845 0264296
Please note that for all SLO connections approval must be obtained from UUU before the connection is made.

Section 9: Declaration (All connections)

I confirm that the supply pipes for all plots listed in Section 5 have been installed and all requirements listed above have been met, and I understand that if the connection is aborted due to a failure of any of the above:

- I will be charged for an abortive visit charge
- I will need to complete any remedial work and submit a work request form
- The connection will be rescheduled
