## Application for a self lay point of connection

Water for the North West

Getting water for your new development - detailed planning stage

This application form should be used at detailed planning stage of the development if you are a WIRS accredited self-lay provider and you wish to provide a new water main and service connections under Section 51A of the Water Industry Act.

If you would like a quotation from UUW for providing your new mains and services, please complete an "Application for a new water main (requisition)", which is available on request or from our website unitedutilities.com/builders-developers/

If your enquiry is for a development of up to 500 domestic dwellings, we aim to reply within 14 calendar days of getting your completed application. For larger enquiries and those with non-domestic water demand, we may need additional time to consider your enquiry. If this happens, we will contact you within 14 calendar days with an alternative reply date.

Once completed please return this form, by e-mail to selflay@uuplc.co.uk or by post to:

United Utilities Developer Services, 2nd floor Grasmere House, Lingley Mere Business Park, Lingley Green Avenue, Great Sankey, Warrington, WA5 3LP.
