

Request for work (RWF3) for mains piece-up connection(s)

This application form should be used when you require United Utilities to undertake a water mains piece-up connection for the newly laid mains on the development detailed below. We will aim to make the connection within 14 calendar days from the date of the satisfactory bacteriological test result detailed in Section 4 below.

This form MUST be submitted WITHIN 1 CALENDAR DAY of receipt of the satisfactory bacteriological sample results.

Please note that this form and/or the information contained in it may be disclosed by United Utilities Limited to OFWAT in relation to this project or otherwise and in signing this form you are hereby consenting to such disclosure.

Please return this form

- by e-mail to Selflay@uuplc.co.uk
- by post to **United Utilities, Developer Services Water, Second floor Grasmere House, Lingley Mere, Warrington WA5 3LP**

If you need help or assistance please telephone **0345 072 6067**

Section 1: About you				
SLO company name			MU Ref No	
Your name				
Daytime telephone number				
Email				
Section 2: About the development				
Development name				
Site address (including postcode)				
Site contact name				
Site office telephone number				
Site agent's email				
Section 3: About your new piece-up connection				
Connection type	For POC's provide reference (i.e. X1-Y1)			
	For additional connection provide location (i.e. Opp Plot 12)			
Diameter of new main for connection (mm)		Pipe Material		Length of main for connection (m)
Section 4: Mandatory information (the connection can only proceed providing the following information is provided)				
Satisfactory type 2 pressure test	Date of test	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>		
	Pass certificate No.(s)			
Bacteriological sample(s)	Date of sample result(s)	<input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/> <input type="text"/>		
	Pass certificate No.(s)			
As laid drawing for new section of main	Drawing No.			

Section 5: Service connection programme (please provide details of connection dates of plots to be connected to new main)

Number of plot connections to new main			
Plot number	Proposed connection date	Plot number	Proposed connection date
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>
	<input type="text" value="D D M M Y Y Y Y"/>		<input type="text" value="D D M M Y Y Y Y"/>

Section 6: Declaration

By submitting this form, I confirm:

- I have authority from the landowner to apply for this connection
- If UU are unable to complete the work due to an obstruction / open excavation, I understand an abortive visit charge will apply as per your current charges sheet
- If UU require any remedial work, I understand that this will need to be completed before a new request for work is submitted and that the new main may require re-testing
- Agree to pay any UU charges resulting from this Request for work
- I confirm that the pipework and ancillaries have been installed in accordance with the approved design and the specific requirements of United Utilities and the Fire Authority

Name of applicant (please print)	
Signature	
Position	
Date	<input type="text" value="D D M M Y Y Y Y"/>

About us

United Utilities is the North West's water company. We keep the taps flowing and toilets flushing for seven million customers every day. From Crewe to Carlisle, we work hard behind the scenes to help your life flow smoothly.
