Dear [REDACTED]

Thank you for reaching out with your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

**Your request:**

*I would like to know if Braystone waste treatment facility in West Cumbria received any tankered waste deliveries. And if does how many per year and from where.*

**Our response:**

I can confirm that Braystone Wastewater Treatment Works (WwTW) is not designed to accept tankered imports and therefore does not receive any tankered waste deliveries. For reference, the sludge produced by the treatment process at Braystone WwTW is exported offsite to Workington WwTW on a weekly basis.

We hope that this response answers your request. However, if you're not satisfied with our response, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at [EIRRequests@uuplc.co.uk](mailto:EIRRequests@uuplc.co.uk), addressing your request to [REDACTED], and explaining why you're unhappy with our response.
