Dear [redacted]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request(s):

Adlington New Town: the Government New Towns Task Force Final Report on Page 119 under "Infrastructure Providers" lists United Utilities, that they have been engaged with. Can you please provide full details of these engagements with the Task Force and any information provided to them, especially in relation to Adlington Cheshire.

Our response:
In May 2025, representatives of our Water and Wastewater Long Term Planning teams met with Defra's Water Planning and Growth Policy team and the New Towns Task Force. The purpose of the meeting was to hold a general discussion regarding potential infrastructure requirements for a proposed new town site in Adlington, Cheshire. No detailed information was shared prior to or during this meeting. We remain committed to constructive engagement and welcome further opportunities to collaborate with Defra and the Government on future planning considerations.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review.
