Dear [REDACTED]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR). As your request contained a number of specific questions, this response restates each part of the request (in bold) and then follows this with our response:

**1. When does the grouse shooting lease end for your land on Arnfield/Tintwistle Moor**

The lease will end on 31 March 2040. Please note that the RSPB hold the sporting rights lease over the area.

**2. During the period 1/9/2010 to 30/3/2020 was a trail hunting licence ever issued to the [REDACTED] or the [REDACTED] to access these moors**

No licenses were issued to the [REDACTED] during the requested time period for these areas.

**3. Please detail all the individual days that licences were issued to this organisation allowing access to Arnfield and Tintwistle Moors during this ten year period**

We do not have any licenses on file for this ten-year period which would allow the [REDACTED] access to this land.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at [EIRRequests@uuplc.co.uk](mailto:EIRRequests@uuplc.co.uk), addressing your request to [REDACTED] and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
