

Dear [REDACTED]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request

Please could you provide the following information:

1. As of 13th April 2026, how many active trade effluent consents have you granted for 2026?
2. As of 13th April 2026, what is the total revenue for trade effluent consents granted for 2026?

Our response

There have been 32 consents issued in 2026. You can view copies of the consents here: [Trade effluent consent register](#).

The total revenue for consents issued in 2026 is £133,503.45. Please note that some of the consents issued are temporary, which means they aren't billed until the completion of the work, therefore the revenue associated with these is not included within the total above.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
