Dear [REDACTED]

Thank you for your request for environmental information. We appreciate your interest, and we want to let you know that your request has been carefully considered in accordance with the Environmental Information Regulations (EIR).

Your request:

I wanted to ask under EIR for details of communications between your company and any MPs between 2022 and 2026 over sewage and water discharge.

- (i) any communications with MPs (e.g. emails, letters) relating to sewage and water discharge and the names of the MPs.**
- (ii) the number of in-person/virtual meetings with MPs (ii) names of the MPs (iii) over relating to sewage and water discharge between 2022 and 2026.**

Our response:

Please see enclosed in Appendix 1 a summary of MP communications and in person meetings we have identified in relation to sewage and water discharges between 2022 to 2026.

When reviewing this information, it is important to note that we do not log every interaction with an MP, for example when we have spoken to one at a parliamentary reception. As such, there may be other instances where we have spoken to or met with an MP that are not included in the dataset.

We hope that this response answers your request. However, if you're not satisfied with how we've handled it, you can request an internal review. To do this, please write to us at Environmental Information Office, Haweswater House, Lingley Mere, Warrington, WA5 3LP or email us at EIRRequests@uuplc.co.uk, addressing your request to [REDACTED], and explaining why you're unhappy with our response. We'll be very happy to review your request and ensure we've done everything we can to assist you.

Any request for an internal review should be made within 40 working days of receipt of this response, and we will reply within 40 working days from receipt of the request for internal review.

Many thanks
