

What kind of water saver are you?

Answer the questions and add up the total A, B and C's you get. Don't worry if you don't know some of the answers - you can leave them blank. Why not ask a grown up to complete the quiz, too?

1. Do you mostly have:

- A Short showers
- B Some baths, some short showers
- C Baths filled to the brim

2. When you have a shower, do you stay in for:

- A Up to 5 minutes
- B 5-10 minutes
- C Over 10 minutes

3. When you have a bath, do you:

- A Only fill it a little bit
- B Fill it about half-way
- C Fill it to the brim

4. When you brush your teeth, do you:

- A Turn off the tap whilst you brush
- B Sometimes turn off the tap whilst you brush
- C Leave the tap running all the time

5. Do you wait until you have a full load before using the washing machine?

- A Always
- B Sometimes
- C Never

6. Do you wait until the dishwasher is full before using it?

- A Always
- B Sometimes
- C I do not use a dishwasher

7. To wash dishes in the sink, do you:

- A Use a washing up bowl
- B Put the plug in the sink and fill it up
- C Leave the tap running all the time

8. If you have a dripping tap, or shower that leaks, do you:

- A Fix it immediately
- B Get around to it eventually and collect the water for watering the plants
- C Ignore it

9. If you have a dual flush toilet (two buttons on it) do you...

- A Always press the correct button
- B Sometimes press the correct button
- C Don't know which button to press so press both

10. To wash the car, do you:

- A Fill a bucket
- B Go to a car wash that recycles most of the dirty water
- C Use a hose-pipe

11. To water the garden, do you:

- A Use water from a water butt
- B Fill a watering can from the tap
- C Use a hose-pipe connected to the tap

Mostly A Congratulations.
You're a serious saver

Mostly B Well done. You think water conservation is important

Mostly C Thank you for your efforts, but try and change to some more A's!
