Unsurfaced (On site) connection - up to 2 metres	£406.00*
Additional metreage charge	£48.00*
Application fee (per application)	
For a single new connection	£74.00**
Each additional connection at the same location	£45.00**
Site visit charge	
Includes visit to re-inspect pipework; abortive visit where we are unable to complete work due to customer not being ready; obstruction preventing work i.e. scaffolding, skips etc.; or visit to obtain meter details if these are not provided in a timely manner; or incorrect / incomplete meter details provided.	£50.60**

Our Standard Connection charges include traffic management up to 2 way lights. Traffic management costs depend on the location of our water main, there are different costs involved in managing the traffic to enable the connections to be made safely. We will advise of any additional costs on our quote. We will normally send our invoice for payment of the charges after the work has been completed unless otherwise notified.

*Subject to VAT at the standard rate where applicable.

** VAT will always apply at the standard rate. Therefore please remember to add VAT to the applicable charges above.

About us

United Utilities is the North West's water company. We keep the taps flowing and toilets flushing for seven million customers every day. From Crewe to Carlisle, we work hard behind the scenes to help your life flow smoothly.
